NOTE

SUBJECT.-- Mr. C. Sucla Bao's
endowment fund.

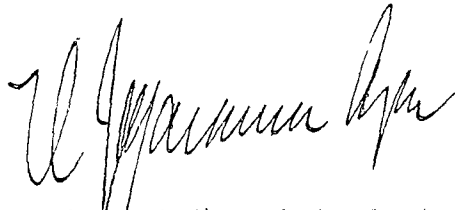

The rules issued under the authority of Government Proceedings No.1373-7/1dr.41-14-31 dated 13th September 1914 as modified in order No.7306-6/1dr.53-17-32 dated 31st January 1933 for the management of the late Mr. C. Subba-Rao's endowment fund are silent about the maximum period during which a student may be allowed to draw a scholarship. The practice has been to extend the period by one year at a time without regard to the total period for which a student may get the scholarship. There is a student who has been getting the scholarship for over six years and if he is to complete the course with the help of the scholarship, it will have to be continued to him for years more. This undoubtedly tends to deprive other students, perhaps more deserving, of the benefit of the endowment fund. It was therefore thought necessary that the maximum period for which the scholarship can be given to a student be fixed.

The connected paper, was referred to the board of trustees, and the board was of opinion that the same should be

scholarships should be limited to 4 years generally and in special cases a year's extension may be allowed at the option of the sanctioning authority, so that no student may get it for more than 5 years. Diwan Bahadur Mr. C. Srikanteswara Aiyar, the son of the donor, who was also consulted in the matter concurs in the opinion of the Board of Trustees.

I agree with the views expressed above and solicit the sanction of Government to modify the rules accordingly.

Correspondence ending with letter dated 1st August 1922 from Mr. C. Srikanteswara Aiyar is submitted.
